

9 Ball Doubles (Div 077) Information

- 4th Full Saturday of Each Month (when the 1st of the month falls on Friday or before) 1pm In House Steve's Cue & Grill
- Teams MUST re-schedule 48 hours IN ADVANCE or other team can claim forfeit (barring any tragedies that couldn't be prevented). Reschedules must be completed within 2 months or by the 1st or 2nd half playoff deadline.
- Each team is allowed one sub per player per half (it's easier than trying to reschedule a match). Subs need to be players who are either +1/-1 of the original teammate.
- If you pre-play a match, it is important to give me a 72 hour heads up. We deliver your packets to Steve's usually on the Thursday or Friday before play.
- Each scoresheet contains the Doubles portion and the Individual Matches so that I don't have to print 2 separate scoresheets. Doubles matches are always inputted on odd matches with the Individual matches inputted on the even match numbers. Your "App" is not always the best to compare the numbers – I strongly suggest that you use northalabama.apaleagues.com under the "All Doubles Tab" for standings and monthly team points. \$20 is due in your team packets each month. If you print off your own scoresheets you need to remember this because the one page format from your "App" will only show \$10 because the system doesn't understand that it is 2 scoresheets in one.
- The first half Playoffs will be in August: 1st place point team will Auto-Qualify for the Slot Event in February and then 2nd-6th place and a Wildcard will compete for the other 3 Qualifying Spots per half. (This is only when we have a MINIMUM of 14 teams – if we drop to 12 or under then it's 1st place – 3rd place and a Wildcard). For the first half and second half playoffs ONLY a doubles match will be played and no team fees are owed.
- This is a CUT THROAT Division, meaning that teams that Qualify in the first half can re-qualify in the second half and teams that fall behind a Qualified team do NOT make it to the Slot Event thus eliminating more competition for the Slot Event.
