

COVID-19 Announcement

Throughout this crisis we have been committed to following the recommendations of local, state and federal health authorities.

Therefore, we are going to postpone League play from March 16, 2020, through March 29, 2020. We will continue to monitor the situation, work with the leaders at APA, and keep up with developments on the local level. If we need to extend the postponement of League play, we will let you know through all communication vehicles available to us. If you do decide to frequent the Host Locations, please know that currently all are continuing to remain open. Tip your servers well. We did not make this decision lightly and from the beginning we have been concerned about ALL in our APA family.

APA is still evaluating options related to the Poolplayer Championships. We will update you as soon as possible when more information on the event is available.

Please be safe and continue to do whatever you can to minimize the risk to yourself and your loved ones

We very much look forward to getting back to the fun and excitement of league play as soon as possible

Sincerely,

Lee Zeiher and Cyndi Harbin
North Alabama League Operators
