

Fall 2019 Wildcard/Spring Session Info Meeting

Fall Wildcard will be conducted after the Meeting

Fall Playoffs: As stated since the BEGINNING of the Fall Session and we reminded you in late October, the Round 1 Playoffs for THURSDAY NIGHT TEAMS ONLY can be played either BEFORE Thanksgiving OR BY the Tuesday AFTER Thanksgiving. We will get these matches turned around so the Week 2 Playoffs for Thursday night teams will be as scheduled.

Spring Session Info: Starts the Week of December 8th. All annual dues of players who PLAY week 1 MUST be paid so the computerized system does not remove your points for that player. IF a member is going to pay on-line via their app, then they must do so BEFORE we input the matches (typically the next day of play around 11am is when input starts.

There will be NO REGULAR WEEKLY PLAY December 22nd-January 4th. Weekly play for Spring Week 3 will RESUME the week of January 5th. All "Once A Month" Divisions still have play due to their MINIMUM match requirements. If you re-schedule any of these "OAM's" please let us know.

THIS IS THE FINAL SESSION TO QUALIFY FOR THE WORLD QUALIFIERS! This is a 17 Week Session with a 2-week Playoff Format. If you are a QUALIFIED TEAM – you will NOT be able to change your rosters after the 4th week without LOSING YOUR Q (another automatic computer issue). Other teams will be allowed to change their rosters after the 4th week WITH League Operator Approval.

Accept new teams up through the 4th week of play.

Teams that need players and players needing teams: Lee will stay after the Wildcard Draw to assist you. Remember, early bird catches the worm.

DON'T BE AFRAID OF THE "NO"!

Regarding Re-schedules and PARTIALS - Teams **MUST** notify the League Operator (both teams responsible) AND the Host Location (home team responsibility) , Teams CANNOT "over-use" the Partial option, Payment for PartialS MUST be kept in the separate envelopes OR paid in full from the beginning.
