

# The APA Scorekeeping App is Here!!!

## And YOU get to be first to try it!!

Congratulations on getting to be one of the first to try out the brand new APA scorekeeping app!

**NOTE:** Be sure to download and log into the app **BEFORE** arriving for League night.

**Download the App from the App store**  
Search your device's app store for "**APA Scorekeeper**" and download the app to your device.

**IMPORTANT!** DO NOT use the app until the actual match begins! These matches are live. If you score the match and submit it for "practice" it will no longer be available for you to score on League night!
