**WE LIVE BY THE WORD "FAMILY"! Cyndi & I consider each, and every one of our APA members part of our family. We have run, supported, and promoted fundraisers and community outreach. We do not "toot" our own horn, post on Facebook how much we gave or what exactly we contributed but just know that we do. We are here for YOU too. These are not just empty words for US. We lead by example.**

**We offer many EXTRA pool tournaments that are "outside the box" of our organization. There is the "MVP" after each session where we kick in extra money AND Qualify players for the Regional Singles Events. We host an ANNUAL "Thank you" Event for ALL Team Captains and Co-Captains with NO ENTRY FEE that has a \$1200 cash payout with lots of prize drawings. We organize other APA ONLY CASH tournaments that is a LABOR OF LOVE for us. We are ALWAYS open to NEW, FRESH ideas that will make our players excited.**
